Rommel Jr Marcelo

MULTI-STACK DEVELOPER · SYSTEM ANALYST

4th Year BS Information Technology Student

rommelmarcelojr@gmail.com
0905 046 9726
github.com/marodysis

PROFESSIONAL SUMMARY

Multi-stack developer and system thinker with hands-on experience designing and building complete systems — from analysis and documentation to working applications. Comfortable across Android, desktop, and web platforms. Focused on clean architecture, database design, and pixel-perfect UI.

EDUCATION

Bachelor of Science in Information Technology

2022 — Present

College of Our Lady of Mercy of Pulilan Foundation, Inc.

4th Year Student

RELEVANT COURSEWORK

Database Management Systems · System Analysis & Design · Mobile Networking & Communications · Application Development · Software Engineering · Information Assurance & Security · Human-Computer Interaction · Operating Systems

PROJECTS

PHAQS — System Analysis & Design

2025

System Analysis · Documentation · Repository

- Performed full system analysis and design documentation
- Produced requirements, use cases, and architectural diagrams
- Deployed a live demo on Vercel

↗ GitHub ↗ Live Demo

Daily Expense Tracker — Android App

2025

Kotlin · Jetpack Compose · Firebase Firestore · Gradle

- Built a full Android expense tracking app with Jetpack Compose UI
- Integrated Firebase Firestore for cloud NoSQL data storage
- Implemented app logic, UI, and data handling in Kotlin

Food & Table Reservation System — Desktop App

2025

C# · WinForms · .NET · SQL

- Developed a Windows Forms desktop reservation system
- Designed SQL database schema for tables, reservations, and users
- Implemented reservation logic and CRUD operations

↗ GitHub

TECHNICAL SKILLS

LANGUAGES & FRAMEWORKS

Kotlin | Jetpack Compose | C# | WinForms | .NET | JavaScript | HTML | CSS

DATABASE & CLOUD

SQL | Firebase Firestore | Database Design

TOOLS & PRACTICES

Git | GitHub | Gradle | System Analysis & Design | XML

CERTIFICATIONS

- 🏅 Wadhwani Foundation — Certificate of Completion `[verify]`
- 🏅 Robotics Training & Workshop — Certificate of Participation `[view]`
- 🏅 PSITE Hackathon 2026 — Certificate of Participation `[view]`
- 🏅 NC II · Computer Systems Servicing (TESDA) `[view]`

TESTIMONIAL

> *"A dedicated and hardworking student with strong analytical skills and a genuine passion for building systems."*
>
> **Joseph Jay A. Vicente**
> Dean, BS Information Technology · College of Our Lady of Mercy of Pulilan Foundation, Inc.
